

10 Top Reasons to Register for
Towards the Future
the 2010 BEECHAC Inc
Conference!

1. **Meet great people** from BEECHAC Australia wide
This will be a great advantage when we have our link ups via Skype or videoconferencing or even just teleconferencing. Also, when our chat lines are set up on our website it will be so good to have met each other.
2. **Hear from doctors and health professionals** who are experts in the fields related to BEECH conditions.
We are inviting urology specialists, psychiatrists and psychologists from the USA as well as urology nurse specialists to conduct workshops.
3. **Get updates and information from similar associations around the world.**
Representatives from the Association for Bladder Exstrophy Community (ABC) and the Hypospadias and Epispadias Association (HEA) in the USA have accepted invitations and representatives from other countries have also been invited to discuss what is happening in their countries.
4. **Explore the psycho/sexual/social aspects of BEECH conditions** with experts in their field.
Psychiatrists, psycho-therapists, psychologists and counsellors from overseas and Australia will be running workshops on psychological issues related to BEECH conditions, such as how to talk to your kids about sex, sex and dating and other social considerations.
5. **Learn about medical, educational and workplace privacy and rights issues:** choosing doctors, hospitals & procedures, informed consent, getting second opinions; support and disclosure in schools, other educational facilities and in the workplace.
6. **Participate in discussions** on a wide variety of topics related to BEECH conditions.
7. **Attend a welcome function** on Friday night **and a fabulous banquet** on Saturday night.
8. **Take home conference information about support networks and similar associations** and make friends with people who share with you similar conditions or support and treatment roles.
9. **Give your younger kids an opportunity to join in** the comprehensive Children's Program run by professional child care workers . The Children's Program is for all children, who prefer not to take part in the conference program including the welcome function and dinner.
10. **Experience one of Sydney's beautiful beachside suburbs** and other exciting Sydney activities.
